

Curbside Pickup Order Form

Complete the form below and email it to le306@sbcglobal.net.

If you prefer, you don't have to use the form, but we need all of the information as shown.

Use the photo album links on the website to find the items you'd like.

If you know the exact item you want (ie Genius Square Game), you don't need to put in the coordinates.

If it's a plush or squishmallow, giving us the coordinates will help ensure you get the right item.

If there are multiple color choices, please specify first and second choice.
